

Military spouses

For the last 21 years, the Minnesota National Guard and the Minnesota Twins have worked together to coordinate the Twins Armed Forces Appreciation Day game.

This year's theme is Honor Military Spouses.

The Twins recently purchased a large U.S. Flag and we are seeking 75 spouses to hold the flag during the National Anthem. This is a first-come, first-served opportunity.

When: Saturday, September 14, 2024

Meet no later than 4 p.m.

Each spouse would receive two complimentary tickets to the game, one for the spouse and one guest.

No children or guests will be allowed to follow you onto the field.
